

Skupa Side Table and Pouf

NUNC

Collection: Skupa
Designers: STUDIO LAV

Thinking of a space as geographical terrain where the interaction of its inhabitants is constantly shifting, Skupa is a collection of poufs and side tables which resemble archipelago islands, adaptable to constant changes. The collection harmoniously combines soft and hard elements. The comfortable curvy volumes of the upholstered poufs in different dimensions and shapes are combined with the simple outlines of the metal or plywood side tables.
